### RECONCILED DIVERSITY

A few years ago, during Rome's quiet summer, Pope Francis took a day off to visit privately with some old friends, whose identity took Catholic Italy by surprise: Evangelical Protestants. They welcomed Francis to their Pentecostal Church of Reconciliation, where Francis asked pardon for Catholic persecutions and celebrated the Holy Spirit's "pentecostal work." Unlike Satan, declared Francis, who creates division among God's children, the Holy Spirit creates a diversity rich and beautiful. And unity; not uniformity, Francis specified, but unity in diversity. Francis named the Spirit's gift "reconciled diversity."

Pentecost's rich treasury of scriptural readings, for Saturday's vigil and Sunday's morning liturgy, traces the Holy Spirit's work from creation's beginning through Jesus' resurrection into the church's earliest days, now

We have new technology in the back of church to help amplify and enhance your hearing. One device is worn around your neck to enhance your hearing aid. Or choose an earbud that will help with clarity. You can adjust volume to your preference. Try it, let us know how it helps. See sacristans in the back of church before mass for assistance.

***“ Lord, send out your Spirit, and renew the face of the earth.” —Psalm 104***

**P**entecost Sunday marks the day when the Holy Spirit descended upon the Apostles. Pentecost Sunday occurs 50 days after Easter (the name comes from the Greek pentekoste, “fiftieth”) . The Bible records the Pentecost in Acts 2:1-13. Pentecost is also known as “the birthday of the Church. Pentecost fulfills Jesus' promise to send the "Counselor" and "Spirit of Truth" in John 16-5-15. Pentecost launches large-scale spreading of the Gospel after Jesus' ascension. Acts 2:41 records that after Peter spoke to the crowd after receiving the Holy Spirit, some 3,000 people were baptized. Pentecost is represented with the color red, which symbolizes the fire of the Holy Spirit. The Holy Spirit is the third part of the Trinity of Father, Son, and Holy Spirit.
