SHARING OUR GIFTS

Autumn is the season for harvesting and sharing the fruits of our labors. This week’s scriptures use images of the harvest, family life, pregnancy, and investment to describe the abundant harvest in the reign of God. We discover that sharing the gifts we have been given brings eternal rewards for everyone. In the Gospel parable a master entrusts his possessions to three servants before going on a journey. Each is given some talents. What they do with those talents determines what the master will do with them when he returns. How about us? What are we doing with our talents? How will our Master treat us when he returns?
